**Berkeley, CA** – The *Fix the Streets and Sidewalks* campaign reported today that a leader of the Safe Streets campaign signed a *Fix-the-Streets-and-Sidewalks* petition using a false name, in violation of Elections Code Sec.18610 that establishes any false signature as a misdemeanor.

The *Fix-the-Streets-and-Sidewalks* campaign affirmed that its leadership and signature-collecting volunteers abide by the California Elections Code, and that any campaign leader who violates the law will be asked to resign. The *Fix-the-Streets-and-Sidewalks* campaign called on the Berkeley Citizens for Safe Streets campaign to do the same.

The *Fix-the-Streets-and-Sidewalks* campaign looks forward to running a fair and honest campaign on the issue of how best to invest in street and sidewalk safety in Berkeley once our measure qualifies for the November 2024 ballot.
